A close-up photograph of a computer keyboard. The central focus is a large, rectangular blue key with the words "Thank You!" printed in a white, sans-serif font. Surrounding this key are several standard white keyboard keys. To the top left is a key with a hyphen/underscore symbol and a curly brace. To the top right is a key with a dollar sign and a curly brace. Below the blue key is a white key labeled "alt". The lighting is soft, creating gentle shadows and highlighting the texture of the keys.

Thank You!
